CONSERVATISM GOAL

AMPERE'S GOAL IS TO REACH CARBON NEUTRAL BY 2035.

Here's how we are doing it:

- We have drastically changed the way we produce and manufacture. We're focusing on partnering with manufacturers that share our same practices.
- We've cut over 35% of waste from our suppliers in 2021.
- We will be transitioning our linings to recycled nylon/organic cotton.
- We extended our Sustainable Collection by 25%. Today, our Sustainable Collection represents only 15% of our collection portfolio. We hope to extend that to 50% by 2025.
