CRAFT DRIVEN / FAMILY RUN

THE SPRING/SUMMER COLLECTION 2023

USD

Spring/Summer 23

Welcome to our Spring/Summer Catalogue

At Selbrae House we believe in not just making products, but in creating products that are practical, hand crafted and that look beautiful. This season we have worked hard to bring you - our amazing retail partners and customers - over 40 new products.

Thank you all for making our products a part of your retail environments, your homes, dinner parties, gift giving events and everything in between! We feel very fortunate to have your support and we look forward to working with you this season!

Our thanks,
Donny Carstairs & Family

SelbraeHouse

CRAFT DRIVEN | FAMILY RUN

ABOUT US

We are a family-run company with a love for producing high quality homeware and gift products - many of which are hand crafted right here in Scotland!

Selbrae House offers a fantastic range of brands within the home and gift sector. Our brands include: The Just Slate Company, Scottish Made, The Linen Table, and Naturally Med.

From only offering hand crafted slate place mats and coasters in the beginning, the Selbrae House collection has grown to include a wide range of unique items that make great gifts for all occasions.

Our aim is to provide you with well designed products that you and your customers will love.

OUR PRODUCTS

Key features all our consumer brands share:

NATURAL MATERIALS

Our main collections are made up of natural materials including slate, Scottish grown oak, Scottish linen and sustainably sourced olive wood from the Mediterranean.

HAND CRAFTED

All our products are hand crafted either in our workshops in Fife, Scotland or by our carefully selected olive wood artisans in Tunisia.

BEAUTIFUL & FUNCTIONAL

We produce products that aren't only beautiful but practical and functional too! Our products are high quality, durable and will stand the test of time.

WELL PACKAGED

Our products are lovingly packaged in high quality presentation boxes or belly bands giving them an extra special gifting touch.

THE JUST SLATE COMPANY

Designed, handcrafted and engraved in Scotland

The Just Slate Company is the foundation of Selbrae House. Credited with creating the concept of slate tableware, we believe our slate products are still the best; handcrafted in Scotland from the finest slate and finished to a high standard. Additionally, we offer a wide range of complementary glassware, serveware and accessories.

Slate Coasters

The perfect coffee table accessory or dinner table addition. With 25 designs to choose from, there's something for everyone.

A hand holding a gold ring is visible in the upper left corner. The background is a wooden table with a dark slate serving board. On the slate board, a white plate holds two pieces of bread with butter. To the right of the plate, a wooden block holds a hard-boiled egg. The slate board has the words 'CELEBRATE LOVE' engraved on it. A circular badge in the upper right corner says 'NEW'.

NEW

Celebrate Love Collection

Our new celebrate love collection features a delightful range of heart shaped accessories, as well as slate tableware and serveware. Each slate piece is engraved with a celebrate love design and are go-to pieces for dinner parties and for displaying special treats. Our new celebrate love collection will make lovely gifts for weddings, engagements, anniversaries and more!

THE LINEN TABLE

Woven in Scotland.

Our collection of linen homeware is woven using
traditional techniques.

Inspiration

Taking inspiration from the Scottish countryside,
intricate line drawings are screen printed onto our linen
products to make distinctive linen homeware that is
perfect for any occasion.

Linen Napkins

Distinctive screen printed linen/cotton blend napkins that will add a country sophistication to your table.

BACK DETAIL

NATURALLY MED

Hand Crafted in the Mediterranean

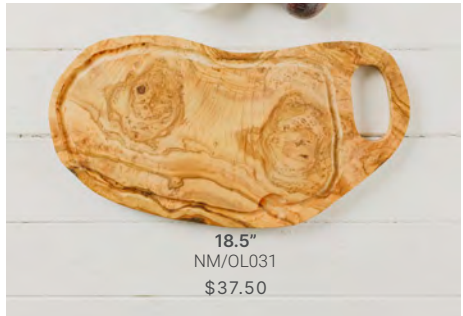

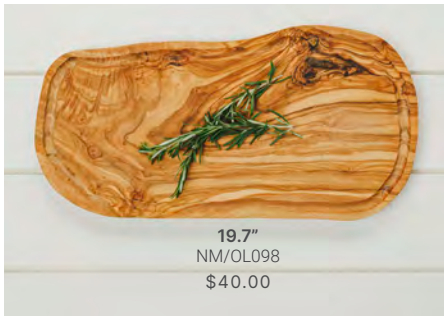

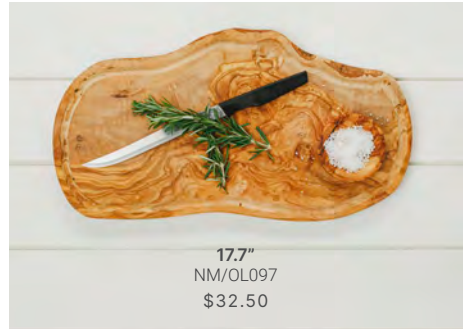

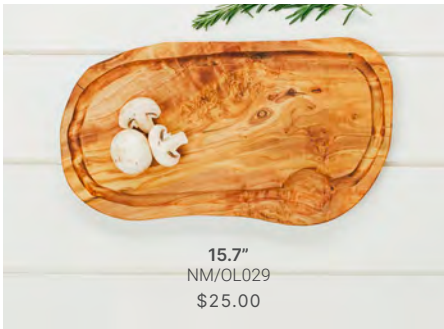

Olive wood serveware and accessories hand crafted by skilled craftsmen in the Mediterranean from single pieces of sustainably sourced olive wood.

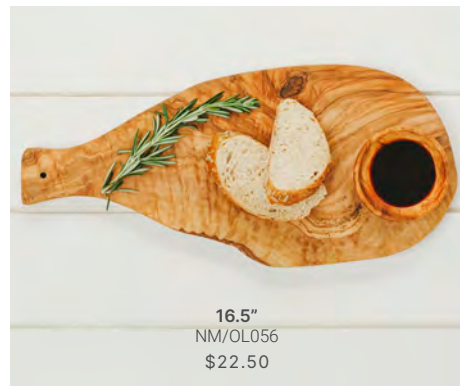

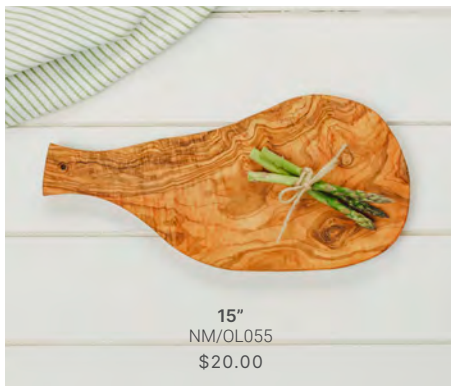

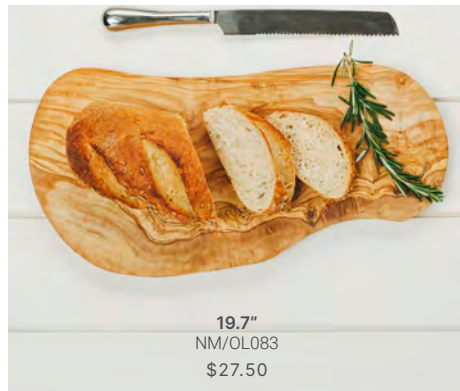

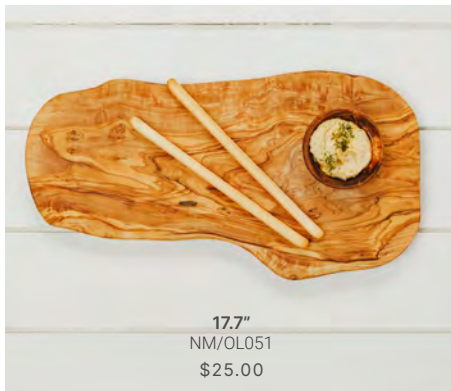

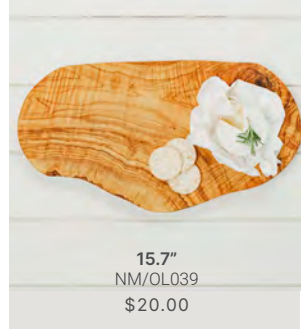

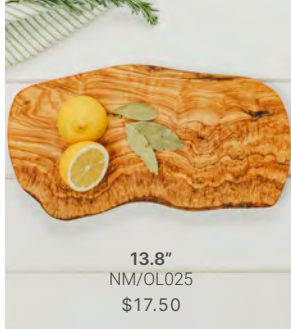

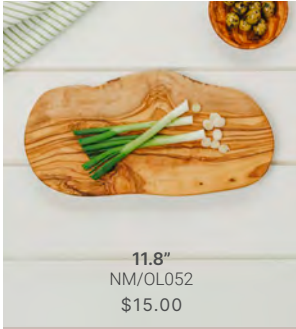

CARVING BOARDS

These fantastic boards are great for carving meats. Each board features a groove carved all the way around the edge; designed to catch meat juices and protect your surfaces.

CHOPPING BOARDS

With their richly coloured grain, these chopping boards are perfect for use in the kitchen while preparing food. Also can be used as serving boards when entertaining.

*Sizes and shapes will vary due to the nature of the raw material

RUSTIC SERVEWARE

These gorgeous olive wood boards and trays have been cut from the cross-section of a branch, giving them a lovely natural edge and a stunning grain which makes them look amazing on any table or kitchen surface.
