MY NEW FAVORITE SWIG

This 40 oz mega mug is beautiful, and better than other brands because it is lighter weight! The silicone straw tip is brilliant!

THE SIZE OF THIS IS GREAT, AND REQUIRES LESS REFILLS.

HOLDS ALL MY COFFEE

This is my favorite tumbler for iced coffee! It's the perfect size to transfer any restaurant's largest cup size. A major perk is that there is minimal ice melt.

EVERYTHING I WANTED

The pattern and colors are stunning. The bottle is skinny and doesn't sweat so I can put it in my book bag, and the top doesn't leak so I can take it to the library.
